### **Stade Amusement Park**

There is a strong desire to secure improvements that are well supported by local residents. Following the initial HOTRA meeting in October several changes have been made. Your views matter so please come along to the Stade Hall **Friday 26<sup>th</sup> April** at any time between 4 and 8 pm. The most recent designs will be on display. There will be a survey asking for your comments. Many of the points raised at the previous meeting have been incorporated.

Anne Scott has kindly agreed to help collate the returns. The results will be published. Thereafter a Planning application will be submitted and work should happen over the next winter. DONT MISS THIS CHANCE TO HAVE YOUR SAY.
